Description

Description

When writing an account number in the form in the '**Delete Account**' section and click the '**Submit**' button, an error page of 500 is displayed.

List of steps for reproduction:

1. We are logged in as user ID: *mngr484054*
2. Go to '**Delete Account**' section
3. On the '**Delete Account**' page with the '**Delete Account Form**' form, fill in the '**Account No**' field with the number of the existing account
4. Click the "**Submit**" button
5. Confirm the information "**Do you really want to delete this Account?**" click the "**Ok**" button

Actual result:

Server **error 500** is displayed

Expected behavior:

The account of an existing customer in the database is deleted
